Profile

I am a Peruvian philosopher interested in the relation between the world and our language. My current research focuses on finding what can value statements tell us about our reality. More precisely, I'm inserted in the debates about the nature of pejorative content and debates on moral externalism.

Education

Philosophy M. A University of Tartu -2021

(Thesis provisionally titled "Moral Twin-Earth and Moral Externalism")

Degree in Philosophy Pontificia Universidad Católica del Perú 2018

(Degree given after the dissertation of the thesis titled "A Semantic Analysis of Pejoratives")

Philosophy B. A Pontificia Universidad Católica del Perú 2017

Article: “Por qué utilizar adjetivos racistas u homofóbicos sobre una persona dicen más de que ti que sobre aquella persona”. (Why using racist or homophobes slurs on a person says more about you than about that person)

PUCP Repository

Peru

2018

Thesis: “Un Análisis Semántico de los insultos calificativos”. (A Semantic Analysis of Pejoratives)
